<b>Total</b>	<b>3,377,000</b>	<b>2,385,000</b>	<b>-28%</b>	<b>15%</b>	<b>-34.0%</b>	

- Any firm paying >\$40/sf total gross rent is breakeven with an upgrade to +/- \$65/sf gross rent based on above results
- Value proposition to move into new A+ building for same total \$'s as older building
- Reduction in RSF while increasing staff relative to prior footprint
- Law firms have tended to see the highest efficiency benefits of all user types
